Education

Indian Institute of Information Technology, Nagpur

Dec 2021 – Jun 2025

Bachelor of Technology in Computer Science Engineering

Experience

WebIntegratorz Technologies

January 2024 – Present

Full Stack Developer Intern

Indore, India

- Designed and developed multiple web applications and dashboards, including Rent Buddy, Shree Enterprises, Imanco, and SNS, utilizing React.js, Redux, Tailwind CSS, and Node.js, ensuring responsive designs, seamless user experiences, and robust backend integrations.
- Developed a dynamic and fully responsive online rental platform, Rent Buddy, using React.js, Redux, and Tailwind CSS, delivering a seamless user experience.
- Built secure REST APIs with Node.js and Express.js to facilitate communication between the frontend and backend, ensuring smooth and reliable data handling.
- Implemented JWT-based authentication for secure login and session management, significantly enhancing user privacy and data security.
- Enhanced platform functionality by integrating advanced search and filter options, improving overall usability and accessibility for users.

Projects

Course Enrollment Platform | [Code](#) | **Tailwind CSS** | **ReactJS** | **NodeJS** | **Express**

Feb 2024

- Developed multiple web applications, including **Rent Buddy, Shree Enterprises, Imanco, and SNS**, using **React.js, Redux, Tailwind CSS, and Node.js**.
- Utilized **Axios** for API calls to interact with the backend for creating, updating, and deleting course data.
- Built reusable components like **Courseform, Courses**, and **Updateddeletecourse** to manage course data.
- Implemented **React Router DOM** for smooth navigation between different pages of the application.
- Ensured a mobile-first approach with a fully responsive design using **Tailwind CSS** for optimal display across devices.

SNS Website | [Code](#) | **ReactJS** | **Redux** | **Tailwind Css**

Oct 2024

- Designed an **animated social networking website** with **React.js**.
- Implemented subtle animations for page transitions, profile updates, and post interactions, enhancing user experience and engagement.
- Used **Framer Motion** to animate elements on scroll and hover, providing a dynamic, interactive interface with smooth transitions.
- Created animated modal dialogs for actions like post creation, message sending, and notification display for a smooth user experience.
- Applied **Tailwind CSS** for responsive, visually appealing animations that adapt seamlessly across different screen sizes and devices.
- Leveraged **React Router DOM** for smooth animated transitions between pages like profile, feed, and settings without reloading the page.

Technical Skills

Programming Languages: C, C++, Java, Python, JavaScript(proficient) .

Frontend: React.js, Tailwind CSS, HTML, CSS, Redux .

Backend: ReactJS, ExpressJS, NodeJS, MongoDB, Tailwind CSS .

Developer Tools: Git/Github, Postman, Linux, MySQL, VS Code .
